

The Foundation for Dermatology Education to Host the 3rd Annual Live Revolutionizing Atopic Dermatitis (RAD) Conference - Saturday, December 11 - Monday, December 13, 2021

Registration now open to the only global multidisciplinary conference featuring world-class speakers, cutting-edge research presentations, case study reviews and more specifically in the field of Atopic Dermatitis

CHICAGO, October 19, 2021 (NewsWire.com) - The 3rd Annual Live Revolutionizing Atopic Dermatitis (RAD) Conference will be held virtually this year from Saturday, December 11 - Monday, December 13 and will feature 25 speakers, 11 mini-symposia, late-breaking research oral presentations, poster viewing sessions, peer-reviewed abstracts and more. Focusing on the latest advances in the diagnosis, treatment, and management of atopic dermatitis (AD), this multidisciplinary conference is a must-attend for dermatologists, allergists, immunology, sleep medicine, primary care healthcare professionals, and NPs/PAs/Nurses from all over the globe. Registration is now open for this 19.5 CME and CNE credited conference - RevolutionizingAD.com.

"This year's annual conference agenda is packed with symposia focused on emerging therapies, panel discussions led by industry leaders, industry sessions sponsored by global companies and the awarding of the new *Totally 'RAD' Award*," said Dr. Jonathan I. Silverberg, MD, Ph.D., MPH, RAD Conference Chair. "The Annual Live RAD Conference offers great opportunities to hear about emerging therapies and industry 'hot topics' from the best in the field."

New to this year's Conference, the *Totally "RAD" Award* recognizes a healthcare provider in the dermatology field who has provided invaluable impact to patient care or research of AD. The recipient of the *Totally "RAD" Award* will receive a prize, complimentary registration to the December 2021 and 2022 conferences, as well as recognition on RAD's website and social media. Nominations are due by November 19, 2021. Submit your nominee at <http://revolutionizingad.com/award>.

"I am excited to again be a part of the Annual Live RAD Conference and look forward to presenting on the current findings between COVID-19 and atopic dermatitis at Sunday's *Hot Topic* session," said Jacob P. Thyssen, MD, Ph.D., DmSci. "It is an honor to be part of an educational conference whose mission is to create a learning space where - through cutting-edge abstracts, case studies and oral

presentations - we can all share in the latest advances and late-breaking research."

RAD 2021 conference faculty include Jonathan I. Silverberg, MD, Ph.D., MPH, Conference Chair; Sabra Abbott, MD, Ph.D.; Katrina Abuabara, MD; Andrew Alexis, MD, Ph.D., MPH; Andrew Blauvelt, MD; Genery Booster, Ph.D.; Korey Capozza, MPH; Zelma Chiesa-Fuxench, MD, MSCE; Raj Chovatiya, MD, PhD; Mark Davis, MD; Aaron Drucker, MD; Anna Fishbein, MD; Phil Greenland, MD; Jon Hanifin, MD; Candrice Heath, MD; Peck Ong, MD; Amy S.
