

Katrina Abuabara, MD, MA, MSCE

Associate Professor of Dermatology, UCSF
Associate Adjunct Professor of Epidemiology
UC Berkeley School of Public Health
San Francisco, California, USA

Dr. Abuabara is a practicing dermatologist at the University of California San Francisco and an epidemiologist with a faculty appointment at the University of California Berkeley's School of Public Health. Dr. Abuabara's research integrates large data sets to understand the long-term course of atopic dermatitis, comorbidities of atopic dermatitis, and the role of the skin barrier in aging and inflammation.
