

**Genery Booster, PhD**

Licensed Psychologist

Pediatric Behavioral Health

National Jewish Health

Denver, Colorado, USA

---

Dr. Genery Booster is an Associate Professor of Pediatrics at National Jewish Health. She received her Ph.D. in School Psychology from Lehigh University with a specialization in Pediatric Psychology. She completed her clinical internship at the University of Nebraska Medical Center and post-doctoral training at The Children's Hospital of Philadelphia. A licensed psychologist, Dr. Booster specializes in cognitive, behavioral, and family interventions for children and adolescents with chronic allergic, respiratory, and immunological conditions, including atopic dermatitis. In addition to her clinical work, Dr. Booster has published research examining sleep and behavior in children with chronic medical and behavioral conditions.
