

**Jon M. Hanifin, MD**

Emeritus Professor of Dermatology, School of Medicine  
Oregon Health & Science University  
Portland, Oregon, USA

---

Dr. Hanifin is an international lecturer and recognized expert in the research and treatment of atopic dermatitis and has directed various national and international symposia on this subject. He is a valued member of the research community, respected for his investigations into the clinical, biological and genetic aspects of the atopic diseases, as well as other allergic and inflammatory conditions.
