

Katrina Abuabara, MD, MA, MSCE

Associate Professor of Dermatology, UCSF
Associate Adjunct Professor of Epidemiology
UC Berkeley School of Public Health
San Francisco, California, USA

Dr. Abuabara is practicing dermatologist at the University of California San Francisco and an epidemiologist with a faculty appointment at the University of California Berkeley's School of Public Health. My research integrates large data sets to understand the long-term course of atopic dermatitis, comorbidities of atopic dermatitis, and the role of the skin barrier in aging and inflammation.
